

Francine and Joel!

We are all still buzzing here at the New Milford Senior Center after your terrific show "Lady Swings Sinatra!" on Friday April 24th. Our seniors loved the show! We loved hearing all about Sinatra's life, as well as hearing old favorites right here in our own backyard. You transformed our multi-purpose front room into an intimate cabaret setting, and we appreciate the high level of professionalism, talent, charm, and wit that accompanied the wonderful music.

I heartily recommend "Francine and Joel" to other senior centers looking for a unique entertainment experience that delivers on every level and is a great value as well. We will eagerly look forward to a return engagement!

Thank you so much!!!

Best regards,
